THE STAGGER RATS HIT LONDON FOR A WEEKEND FOURSOME

The Stagger Rats return to London to perform four gigs this weekend 9-11 December. The band kick off at Bar Solo, Camden on Friday, heading over to the London Piazza at the O2 Arena on Saturday to headline the December sessions at 8.00pm before the Coldplay concert. They will rock Londoners for free at the West End VIP Day Festival on Oxford Street on Saturday and Sunday afternoon.

'The HOTLY-TIPPED Edinburgh rockers' ([East Lothian Courier](#)) played at This Feeling's club night last month at The Vibe Bar in London, an event touted by Messrs Noel Gallagher and Serge Pizzorno. The Stagger Rats shared the stage with ex-Oasis and The Who drummer Zak Starkey and immediately got the crowd going with their trademark bounce and verve.
